High School Graduates and Parents,

We are extremely proud of our high school graduates and would like to celebrate their accomplishment as a church family. On Sunday, May 19 at 10:30am we are inviting all our high school graduates to participate in our Graduate Recognition Service. We will be recognizing each graduate in the service with a short video slide show and presenting them an engraved Bible.

MAY 19: GRADUATE RECOGNITION SUNDAY SCHEDULE

9:15am Breakfast in honor of our graduates (youth room)
9:50am Graduate ceremony run-through (meet in the sanctuary)
10:30am Graduate processional into the sanctuary (wear your cap and gown)

3 things we need from each participating graduate by May 12

- 1) Complete and return the enclosed Graduate Information form.
- 2) Provide the church with 12-15 pictures of the graduate to be used in the graduate recognition slideshow presentation. Please select a variety of pictures showing the graduate at different ages, their involvement in various school/church/sports/community functions, and other memorable moments in life. Include 1 baby picture and 1 senior year picture in the selection. Pictures can either be digital copies saved on a thumb drive or physical copies which I will scan. Please put them in an envelope marked with the graduate's name.
- 3) Record a parent's audio message for the slideshow presentation. To add a special element to the presentation we ask each family to record a short (approximately 1-1:30 minutes total) audio message congratulating their graduate. The message will play during your graduate's slideshow. To ensure the best quality, we capture this message digitally at the church. We highly encourage parents to write out this message prior to coming for the recording.
 - a. Dates for parent message recordings: (please contact Adam to reserve a time. Email: a roberts@scottlake.org, cell: (863) 944-0711)
 - i. Sunday, May 5th following the 10:30am service
 - ii. Sunday, May 12th following the 10:30am service

Adam Roberts

Minister to Students and College
